

EMI 2024 IC

September 11-13, 2024 | Vienna, Austria

Invitation for Sponsorship & Exhibition

The **Engineering Mechanics Institute 2024 International Conference (EMI 2024 IC)** of the American Society of Civil Engineers (ASCE) will take place on the premises of TU Wien on September 11-13, 2024.

The EMI 2024 IC will continue a **remarkable series of conferences which have repeatedly gathered the key players in the ever-changing and interdisciplinary field of engineering mechanics**. It does not only promise to become an inspiring and stimulating scientific event but will also allow for an unforgettable cultural experience in the beautiful city of Vienna.

Scientists of great renown have agreed to deliver **plenary lectures** at EMI 2024 IC, comprising Zdenek Bazant (Northwestern University, USA), Emanuela Del Gado (Georgetown University, USA), Agathe Robisson (TU Wien, Austria), Alfredo Soldati (TU Wien, Austria), Pol Spanos (Rice University, USA), and Franz-Josef Ulm (MIT, USA).

The scientific programme of EMI 2024 IC will comprise about **300 presentations in 26 mini-symposia**. Prospective participants will come from all over Europe (approx. 50 %), Asia & Pacific (approx. 40 %), and the Americas (approx. 10 %).

The conference will cover a wide range of topics in applied mechanics, theoretical, computational, and experimental, also far beyond the traditional realm of civil engineering. Details are available on the conference webpage at <https://www.emi2024ic.com/>.

The exhibition is an integral part of the conference, providing attendees with the opportunity to update themselves on the latest technical developments. Furthermore, it presents our **industry partners with the chance to interact with a great number of key decision makers and potential new clients**. The exhibition will be combined with coffee break areas, thus ensuring maximum exposure and visibility for your company as well as a flow of visitors to the company booths throughout the entire conference.

Your support is essential for the success and attractiveness of the conference and will be highly appreciated by the organizers. We would be pleased to welcome you at EMI 2024 IC!

Please submit the attached application form to secure your sponsorship and exhibitor space as soon as possible. Please see below details of the different sponsorship and exhibition packages:

EMI 2024 IC Sponsorship & Exhibition Opportunities	Exhibitor	Sponsor
Requested amount	€ 2,500	€ 1,250
Exhibition Space Equipment	1 table 2 chairs	X
